QR Code Link to This Post Are you needing reliable child care but do not want to have to pay too much for it? I offer a low rate and although the rate may be low it does not mean that the care is any less than what your child deserves and needs!! I have been providing child care from my home for 10 years. My hours are 5am-6pm. I am only closed on actual holidays so you can rest knowing that you can count on me to care for your little one and not cancel on you. At this time I have spots several spots open for little ones 12 months or older. If you have any questions please feel free to call/ text me! Hope to hear from you!!!!
