QR Code Link to This Post I love working with children of all ages. Sweet, outgoing, professional woman. 26 years of age, highly energetic, with a passion for childcare. Very reliable, responsible, trustworthy person. I can do simple housework (cleaning, dog walking, some cooking). Very good with children and will give 100% of my attention to your kids. Have experience in children's nursery and toddlers preschool. As well as more than 5+ years babysitting for children ages 1-12. I am accustomed to changing diapers and bathing children when required. Also have experience in caring for family home while family was on vacation. Duties included bringing in mail, feeding cats and dogs, cleaning litter box, letting dogs outside, checking on the house, taking out trash and watering plants. My proficiency in shopping and running errands will be a real asset for your family. I am a non-smoker, have a valid driver's license and reliable vehicle. I would appreciate the opportunity to meet with you in person and discuss a position in detail. Will give references upon request. I would love to answer any additional questions you may have for me. Thank.
