QR Code Link to This Post Busy, attractive, generous, upscale executive seeks Special Female Assistant. Qualified candidates will be attractive, intelligent, possess excellent oral skills, a willingness to take dictation and a strong desire to please. Compensation is \$800 per session (2 hours once per week). This is the perfect position for a female college student with bills to pay and limited time to work.

For consideration write back, explain why you would be perfect for the job and attach a picture or two of yourself. I will select one person to interview either tonight or tomorrow. This is a real offer, so please be real.

Thanks and I look forward to hearing from.
