QR Code Link to This Post I am not a doctor, I am not a therapist. I am simply a listener.  
I am an educated 30-year-old woman wanting to hear what you have to say.

Maybe you have some things to get off your chest. Maybe you have stories you want to share.  
This is an opportunity for you to say what you want to say before you leave this Earth.  
This is your chance to lighten your load and make passing more peaceful.

Not everyone is blessed with a bed surrounded by loved ones on their journey to the beyond.  
Maybe you didn't have children. Maybe your children live in another city.  
Maybe you do not wish to share the things you want to say with loved ones.

It is simple... you talk, I listen.

I will come to you. Anywhere in the surrounding Greater St. Louis area.  
Visits will preferably take place in a public setting, hospital or care facility.  
Home visits will be considered on a case-by-case basis.  
The money transaction will occur at the beginning of the session.  
\$100 per 1-hour session, cash only.

I look forward to listening to your.
