QR Code Link to This Post Beautiful spade, declawed 2 year old long haired female cat needs new home. She is updated on everything and is super sweet. She loves everyone and is not afraid to show it! She even plays with the dog and the kids. Our old 10 year old cat however is not having any of it. Alas he was here first so we have to Rehome her. She will come with her car carrier and collar. Please email me if interested! There is a small 15 dollar rehoming fee to ensure you want to give her the best!
