QR Code Link to This Post My band is currently looking for a drummer ! We just put out an EP and our current drummer's work schedule / school schedule make him unavailable to play anymore . We have a indie / post rock / shoegaze sound similar to : explosions in the sky , slowdive , foxing , balance and Composure, etc .

We just want to get out and play a bunch of shows and have fun . We usually practice 1-2 times a week and we have our own practice spot as well in philly.

Hit me up if this sounds like something your in to !

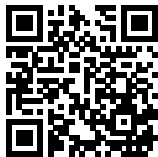

( we're all in our low - mid 20's as)
