QR Code Link to This Post I have a male German Shepherd puppy looking for his forever home. He is an awesome dog just more than I can handle right now. He has completed all of his puppy shots and dewormings and ready for his rabies vaccine. This puppy is out of very large stock, there is no history of hip issues or any other genetic problems. I searched long and hard for this pup and was very excited to get him. He is AKC registered. He is not free. I'm am asking what I paid for him and he is worth every penny. Please call if you are seriously interested.
