QR Code Link to This Post I would normally never do something like this, but I'm in desperate need of help. I need \$250 to pay the babysitter, or she won't keep my daughter anymore while I work. I get paid on the 15th and I'm willing to pay back \$400. I'm not looking for pitty or anything like that, I've just fallen on a tough spot and need a little assistance. I will provide any documentaion I need to to prove I'm legit. Thank you SO Much, I'm beyond!!!
