QR Code Link to This Post I have a full blooded Great Pyrenees. UTD on his shots and neutered who I have to find a new home. Unfortunately, due to financial issues we have had to move into an apartment and he is just not happy here. He is a wonderful dog, very smart knows sit, come, shake, down and place and walks well on a leash. He is good around other dogs and loves going to the park. He will come with his collar, leash and crate (which he sleeps in every night). He will also come with all his shot record and paperwork. I have had him since he was 9 weeks and I love this dog more than anything but I can't force him to be in an apartment without any room to run around. He is free to an approved home. He needs a nice yard to run around in and I will have to verify the home he goes to. He is very loving and will be a great addition to a loving family. Any questions feel free to contact and ask. 615-987-98 six three.
