Anybody can get a cheesy party city Santa suit and say there santa but do they have the personality to pull off the spirit of St Nick, I have 15 plus years of experience I dance I'm fun outgoing and I love what I do and as you can see in my pics I spent \$\$ on a nice costume and expensive boots.

I'm available to do corporate Christmas parties storefronts School Functions etc.

I even do house calls during the week with a Classic fireplace backdrop as seen in my photos.great for Xmas cards.

Available with Mrs Claus and Elves
