QR Code Link to This Post My name is Blake and I came to Utah about a year ago from my home state/town of Boise Idaho for a change of pace and scenery. Everything went well until about two weeks ago when things fell apart and I lost my housing. I'm now staying at a shelter here in Salt Lake, and I've had a lot of my valuables and personal belongings stolen from me, including my ID and Social Security Card, and I don't have the means to make money or get back on my feet here, and only have a backpack of what's left of my clothing and toiletries. The shelter and area around therein is infested with drugs and all other manner of criminal activity, and I am beginning to fear for my well-being.

I don't have anything that I can offer aside from decent company and a good conversation for a ride back home to Boise where I can get new ID and start work and everything in a town where I at least have a few friends.

I can only be contacted via email right now due to the fact that my phone was stolen as well.

Please help if you..
