QR Code Link to This Post Hi! I have a 16 month old girl and I have a babysitter coming at my house once a week on Wed (we can change the day I m flexible).I was looking to find a playmate for my daughter around the same age so they can play and we can share the cost. I live in downtown slc near the capitol building. If you are interest please send me a pm. Babysitter will be 6 dollars hourly for 4 hours a week :-)
