QR Code Link to This Post Highland Clinical Research is currently seeking volunteers with endometriosis to participate in a clinical trial for an investigational medication. The study will last approximately 8 months and you will be required to visit the study center at least 10 times. Qualified participants will receive study related exams and procedures at no cost, study medication, and compensation for time and travel.

You may be eligible to participate if:

- You have been diagnosed with endometriosis, and your diagnosis has been confirmed by laparoscopy in the last 10 years.
- You are a pre-menopausal female (Age 18-50)
- You are currently having regular menstrual cycles

If you are interested in learning more about this study opportunity please contact Highland Clinical Research.
