These little cutie is ready to go to his new homes the weekend before Xmas with a deposit. If you have any questions about them please just ask.

available white with pink eyes male and female will be 7 wks old beautiful purebred lionhead as sweet as sugar they will be a smaller breed bunny. Both parents are smaller in size, so these little bunnies should remain fairly small our bunnies are raised around small children, adults, and pets so they will be plenty use to being handled before they are sent home. I have an all wire cage kit with pull out tray for easy cleaning that can be Purchased with the bunny. Kit includes wire cage 15" x 22" x 14". It comes with brush. Nail clippers 2 toys. Water bottle. Food dish and a cuddly mat. I am able to meet you part way to pickup

We spend a lot of time with our bunnies to make sure they are the perfect pet.

Our bunnies are sent home with a bag of transition feed to get them started at their new homes.

Please pm me for more information or with any other questions you might have or visit my website at Jamore Rabbitry

There is an adoption fee \$75 or \$135 with cage kit
