5mo Female Syrian Hamster. She's super sweet and adorable but just like any hamster will need a little time to adjust to new environment :) Comes with 10 gallon tank w/ lid, rest of food, wheel, igloo, waterbottle and chewguard bottle holder.

Re-homing fee is \$50 firm to insure a good home.

Serious loving homes only...must be seriously interested in coming to adopt her the day you contact.

***I've had so many people contact me then do not respond back or no show, if you aren't even interested in adopting the hamster don't contact and waste my time or yours. Thank:)
