About Acurian:

Acurian is a company that is currently working with pharmaceutical companies to find individuals who are willing to participate in their research. If you are interested in a clinical research study, then you may need to investigate the product or service to receive an informed consent, depending on the study. If you are interested in a study-related product from a company, research team, or organization, then you may need to investigate the product or service to receive an informed consent. Payments will be made for participation and the amount of the study fee will vary.
