Kiddie College is a suburban school with an accelerated curriculum based in an atmosphere filled with character, love and academic achievement. We are focused on learning here, and the mix of education with a relaxed, nurturing, and stimulating atmosphere means that children enjoy school. It is said that teachers today prepare students for jobs and careers that will help them succeed in their future. Give your child that extra boost they deserve for their future! We accept state assistance here.

Our 2's room focuses on learning the ground work, ABC's, counting, focusing on English and Spanish, sign language, and the beginnings of handwriting and coloring within the lines.

Potty training is also a huge focus in our Sophomore class, transitioning from diapers, to pull-ups, to underwear is a huge task, let us help you and your child succeed!
