QR Code Link to This Post Hi, I'm currently living as an outside cat but am looking for a inside or inside/outside relationship. My current relationship is ok but I know I deserve better. My hobbies include mouse and rabbit hunting and snuggling on your lap. If you have a beverage in a cup I will be tempted to drink it with my paw. I broke my tail doing some bada** stuff. I have been described as feisty and persistent. I recently had children and discovered that isn't the life for me. A relationship that will get me spayed is a must. I am around a year old. I have had a rabies vaccination.

To ensure I go to a good and loving home, my current caretakers will be asking necessary questions to optimize my well being. There is a \$10 rehoming fee and I must be picked up from my current.
