QR Code Link to This Post Unfortunately, my ferrets don't agree with my parent's allergies after I brought them back, so I'm being forced to rehome them to a family who would be able to offer them free range to roam and play. They are spayed and neutered marshall ferrets, 2 male and 1 female. All are very sweet and don't bite. Included are a two-tier ferret nation cage and whatever other various supplies I have in the cage with them.

Rehoming fee of \$150 for all three. Please message for pictures and.
