QR Code Link to This Post We have a 10 month old puppy needing rehoming. Husky/lab mix. He has gotten too big and our other dog still does not appreciate his energy. He is housebroken, crate trained, vaccinated and neutered. He does well around small kids and cats. He gets extremely excited when he first meets someone new and may jump on them. Sometimes he does not realize his size and he likes to chew. He is really a sweet pup. He comes with his crate, is housebroken, vaccinated and neutered. \$400 rehoming.
