QR Code Link to This Post you still be broke down n still having to use a real mechanic to get it fix right

yard mechanic n mobile mechanic both are rejects from shops that there standard of repairing a car r truck was not up to standard

me and several of my friends are victims of these so called mechanic

after shoping a little bit i found several shops was much cheaper in price than mobile n yard mechanic

just trying get message out there so no body get rip off like i did

and after calling mobile mechanic to get a refund

phone rung n rung many times n no answer

tried several days n still no answer

so i gave up

dont let them still your
