QR Code Link to This Post I am a 36 m, working professional and/or currently going to school. I am looking for a working professional and/or someone who is going to school. Rent is \$900 a month. We can split the bill for gas, electric, heat, renter's insurance (about \$15/mo), and Internet (currently do not own a TV). No extra storage. There is a very small washing machine in the kitchen that I bought a year ago and no current dryer. Parking is free and off-street. Smoke and drug-free apartment. The baby room will be cleaned up and I'll have to move out the furniture before the move-in date. Apartment needs to be filled within a month (around January 8th).

Landlord is asking for background check (this includes criminal and credit check). References will be checked and job verified. You will need 2 months of pay stubs.

The walk to Arboretum is about a 15 minute walk. It's close to many stores and restaurants - maybe a 5 minute walk. Bus is about 3 minute walk. A bit noisy during the summer with the cars blasting their music, but definitely not unbearable.

Email me if you are serious about moving into an apartment. Thanks for.
