QR Code Link to This Post Looking for someone to feed and care for 2 adorable beagles while we are away for 4 nights. January 4th-8th!

This person would need to be willing and able to stop by our house twice a day to feed them, and maybe stay with them for 30 minutes or so (which would be 1 hour a day), to check on the house and give them some love! Walks would be great too.

Pay will be \$100. Text or Email for more details!

Thanks for!
