We are a group of 16 adults looking to hire some private fire dancers/drummers/hula dancers for a celebration we are hosting at our home in Poipu Kai. The event is fully catered and looking to add some additional ambiance and fun to the evening. I don't frankly know much about hiring for this sort of thing, but ideally you have some colleagues that you work with, or are a company who does these types of things.

We would love to open up a dialogue about hiring you for this event.

The date is friday, Jan 19 and would start late evening, and go for a few hours.

Thanks for looking,

Nick
