QR Code Link to This Post I am a 20-year-old pet lover (cats AND dogs rule) with experience housesitting and walking indoor and outdoor animals.

If you need a walker, I charge \$15 for 10 minutes and \$25 for 30 minutes, plus \$7 for every extra pet. I will come with a leash if you do not have one available, make sure they are watered when home if you like, and wipe off their lil paws before they come inside! If you have a preferred route, please let me know beforehand. I will always be available by my cell during the walk if you need to reach me. I am also respectable of others' things and willing to enter your home if you need them walked while you're at work or school.

If you need a petsitter, that can most definitely be discussed and arranged by phone and/or in person. I will stay in-home or drop by whenever needed for however long your babies need my love and protection.

Looking for little fuzzies to take care of!!
