I want service to be effective. I want people to be beyond better.
I continuously study to try to make sessions beyond words.

I was a power type athlete, for years. Intense & highly in-depth training
w/ tons of sacrifice, injuries and rehabilitation.

For therapy, I've used meditation, massage, physical therapy, and other things
that kept me balanced. I learned that being physically & mentally balanced is th beauty of it all.

People I see, look forward to... Confidentiality Ultra high relaxation Relief from sore muscles & chronic pains Increased range of motion Relief from headaches Reduced
anxieties and stressors Better sleep Services offered: Relaxation or deep tissue massage Shiatsu pressure/Sports massage Hot Stone massage Chair massage Foot
