QR Code Link to This Post Attention local women ages 18-45 . . . If you have a pretty face, a nice figure, a positive, open attitude, and if you've always dreamed of being a pinup girl, a calendar girl, a boudoir model . . . well, here is your chance to live out that dream, and it will not cost you a penny!

My Scene One Studios website galleries features only women from the greater Portland/Vancouver area, ages 18 - 45. I have chosen to celebrate my 35 plus years as a pinup/boudoir glamour photographer by giving those of you who wish to participate a free 2 hour pinup/boudoir photo shoot, many hours of free editing of their shoot, a thumb drive of dozens of their best pictures, and a full page in my galleries, featuring many of the best photographs from your SOS shoot.

My SOS website gallery address is: [sceneonestudios.wix.com/scene-one-studios](http://sceneonestudios.wix.com/scene-one-studios)

It's easier to simply go to Google, and type in sceneonestudios as one long word. My website will appear at the top of the Google links. Be sure to click on the red tab marked MORE, and EVEN MORE MODELS, and the newest section, THE NEWEST SOS MODELS, as there are many, many SOS photo models featured in these sections. As you will see, my style is cross between the Bettie Page, Marilyn Monroe early pinup pictures and the women of Playboy from the early years, through today. You could be one of my featured SOS photo models, too! If you have an inner pinup girl, calendar girl, boudoir model just waiting to be set free, contact me soon.

There is no money exchanging hands, as this a promotional 'trade for time and talents' arrangement, to promote my studio name, my SOS photo gallery, and to celebrate my 35 plus years of creating pinup/boudoir/calendar girl photo art in the Portland area. If interested, please send an email introductory paragraph, stating your age, any experience you may have, interests, and attach some current pictures of yourself, clearly showing your face, hair, figure, and tattoos/piercings if any. 'Selfies' will work fine, as I am looking for honest, simple audition pictures. Thank.
