My name is Hendry, im 19 years old and im from South Africa. This will be my first time to au pair so im currently in South Africa.

Im looking for a host family in Pennsylvania state, if possibly in or near Philadelphia.

I have a lot of experience working with children from all ages including babes. I was an English teacher in China last year so my English is excellent and I lived in another country before. Im currently transporting children to school and their after school activities everyday so Im also a very good driver.

I am responsible, hard working, mature, honest, energetic and most importantly very good with children.

I enjoy to cook, read, working out, cycling, being outdoors and to travel.

I would love to become a part of your family and be an older brother for your children. I would also like doing various activities with them like playing in the park, going to the library, baking and also to look after them.

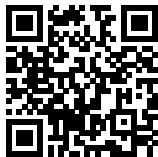

Please feel free to contact me if you are interested in
