QR Code Link to This Post Hi there,

From Chicago's very own, we proudly bring you SingersMeetSongwriters.com, a revolutionary way for artists, fans and enthusiasts to come together for the entertainment industry through a conveniently geo coded website built with you in mind !

The "Net" (which is the home page of SMS) is unlimited exposure and recognition for all artists on a global level, where you can be found and seen not just to followers, but to the world! Whether you want to join a band or hire a gig, make an artist/band set, take photos, direct, or just simply be a fan in all of the excitement, we have something for everyone with a desire to be entertained or entertain, so join up and create your special username before someone else makes it, enjoy!

Sincerely yours,
SMS,
