Commercial will be very sexy and include implied or partial nudity. (Between age 25 and 45 years old, any race). You will be required to speak a few short lines. No acting experience required. You will get exposure, and free promotional photos. There is also great potential for ongoing commercial work. First shoot will pay \$20.00 In your first email you must send your name, a method of contact, photos, and availability to shoot. Looking to shoot right.
