QR Code Link to This Post 3 months old male & female. Beautiful pomeranian puppies for good home I have 1 female and 1 male puppies available. First set of shots and dewormed. Re homing fee Accepting reasonable offers for POM pups. If you think this is for you or MIGHT be for you but you have some questions, please email ASAP with your name and number and I would be happy to answer any questions that you might have and we can move forward from there. Small rehoming fee.....Thank you in advance! loving, lovely, friendly, well-behaved pet pomeranian in kind of a bind and they could *really use* a loving home and an available mommy or daddy to take care of them ASAP!!! Tyson and Gina are both domesticated, spayed, female and male POMERANIAN that have all their shots, and are about 3 months old and need to go to a perfect loving home .

Adorable! pomeranian puppies have No medical issues. No behavioral issues. they have been with an obedience trainer several times for perfect dog manners. Fully vaccinated including rabies (all papers will be provided). Adorable. Solid cream/white bodyVery Smart. Super friendly with other dogs and kids and people. He walks with a pack of dogs daily that are much larger than them. Asking \$300 as!!!!!!!!!!!!!!!!!!!!!!
