I have over 20 years child care experience from Lead Teacher in every age group classroom to Assistant Director at a non profit center to a nanny to home daycare. Daytime rates are \$40 per day. Evening/weekend rates \$50 for 5 hours or more or \$10 an hour. Will consider overnights for \$65.

I will provide food (mostly organic/natural). My basement is set up as a daycare and i have a completely fenced in yard. I have two boys myself (4 and 16). Please feel free to message me with any questions!
