QR Code Link to This Post I'm searching for a specialist cleaner in my 120.77 sq m house which has 2 bath rooms and 3 bed rooms. Not dirty just neglected for a few months because of illness. Really need all furniture dusted & polished, baseboards cleaned, whole house vacuumed, deep cleaning in bathrooms and kitchen/laundry room. Ever Since I have a large dog, you need to also be comfortable with pets. I would choose an individual/team small biz owners. It will be favorable if you're an individual or a team biz owner. Please send me a email with approx pricing and availability thanks. For other matters like salary and availability, call.
