QR Code Link to This Post The small business solution. The Brewer Business Center is owner managed and leased. Work in the peaceful countryside and enjoy the convenience of being in the heart of Bangor-Brewer. We are located in Brewer's upscale East-West Industrial Park on 3 acres abutting other extensive green areas.

Our building is heated with efficient, clean burning, low carbon natural gas. Another feature of the building is our inside, secure, centrally located mail box system with space for large packages.

We have plenty of free parking and the Interstate 395 on/off ramp is right at the entrance to the business park.

Artists and photographers love the natural, clean, North light that comes in through these large sliding windows.

This sunny 3 room office suite includes a kitchen (private entrance), deck, its own heat zone, air conditioning, and all utilities but electric and it has available, high speed, hard-wired, wide band internet. The two offices in the cad drawing by the wall leading to the deck may be built to suit.
