QR Code Link to This Post Looking for land to put a newer mobile home on. I'm going through a divorce and he won't let the kids and I stay in our home because my name is not on the house loan. Instead of fighting over it in court I am hoping to purchase a small piece of land that is affordable to put a mobile home on for my children and I. Please can anyone help? Hoping to stay close enough to Washington so I can drive my kids to and from.
