QR Code Link to This Post Good evening I am looking for a professional caregiver look after my children because I have to leave the country for an emergency and will be gone for about a week. I am looking for someone professional and affordable. I prefer someone who lives on the west side of Cleveland and someone that can transport them to and from school. I am looking for someone who is well-versed with children from various different backgrounds. The kids are ages 6 to 13. They attend school on the far west side and I will need someone in the next couple weeks more around Christmas break if not a little after. I need someone with experience and a lot of patience and understanding and someone a little older. I can be reached at

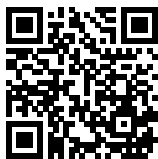

. I will not answer emails and please do not contact me if you live in East Cleveland. A background check is a must. Do not contact me if you are under the influence of any type of drugs or alcohol because I do not want my children exposed to such an environment. I can be reached anytime day or night and I am currently in the Cleveland area. I will provide all meals for my children.
