About Mel have been volunteering at a local humane society for about a year, and recently began teaching new volunteers how to handle the dogs there. I have experiences with shy, energetic, indifferent, playful, and even aggressive dogs, as well as dogs of all sizes and breeds. I have taken classes to learn about dog behavior, body language, and balanced training. Also, I have experience with dogs who have resource guarding (i.e. food, toys, treats, bedding). Having all this experience allows me to be able to work with dogs that have some minor issues and hopefully give some people the comfortability knowing their dog is in the hands of someone who is willing to work with your needs and wants for the benefit of your dog. I have 1 reviews on my Rover profile. Check out what my clients had to say: "Candice has been a lover of all types of animals pretty much since she was able to walk! And from what I've seen in the past they all seem to love her to! I've seen the most aggressive dogs take to her like she's known them their entire lives. She's not afraid when she sees aggressive dogs either. That seems to calm the dogs down more. She can read the signs the dog is displaying to her an act according. That is why I feel she is more than capable to walk all types of dogs" --Stacy J. To read more of reviews, go to <http://experienceddogboarders.com/sit/candicej9/c>
