QR Code Link to This Post Hey there ladies! I'm looking for a potential female roommate. I'm going to be picky because I want someone that's clean/tidy and COOL! Not looking for any drama queens or ladies with shit head boyfriends. RESPECTABLE girls only! Must be dog friendly as I have huskys. I do vacuum very often because of the hair so you won't have to worry about that. No drug dealers (background check required) or previous drug charges. Seriously, if you're high strung or a pain, don't even think about applying. I want a cool college chick that will pay her bills and be cool to hang with. I'm a laid back person, however I can be aggressive if people try to screw me over. Also, if you're a music person , that's GOOD cause I scratch/spin vinyl and have a room just for djing.
