QR Code Link to This Post Hi we are a family of four live calm quiet lives. Need a safe country home with some seclusion preferred. We would like a small house or trailer with maybe a little wooded area or space to play with the kids. I have a great rental history for the past three years. We keep to ourselves and just want a quiet home instead of apartment life. We stay in a nice Apartment but still have to deal with neighbors fighting or smoking pot and we really don't want the kids around that kind of thing. We are currently in Broadview Heights and would love to stay in the area( Brecksville, Broadview Heights, North Royalton, Strongsville) We do have a cosigner if needed. I receive SSI for heart troubles so that's a garaunteed rent on the first. We are currently paying 650 and utilities. We would like to stay within that range. Our lease is up at the end of the month (Dec). Looking to rent or rent to own. If this sounds good to you please message me. Thanks
