Smoking is fine, but only outside. No 420.

This living situation is not conducive to partying or random guests. Hooking up should probably be done elsewhere if it is a regular thing. No judgment, just a preference.

I already have most of the furniture for the place, so someone light on furniture would be great. Room upstairs has a queen size bed and dresser which can be used by you, or moved out to make room for your things.

Room downstairs is empty.

I am not looking for full time students or anyone that works from home.

If you think you're messy do us both a favor and keep looking. Last roommate was a mess. Hence the ad.

No pets.

Thank you for reading all of this and happy roommate. = )
