I have 3 available males and 1 available female!!

We have been bottle feeding these babies, already fully weaned from momma due to her medical issues, and they will start on soft puppy food by 12/13/17 (3 weeks).

We are offering a couple of options.

- #1- Can pay for and pick up puppy for Christmas as long as you are willing and capable of caring for a young puppy (Will be 5 weeks 12/27/17)
- #2- Could place a deposit on the puppy of your choice and we will hold and care for the puppy until 8 weeks (1/17/18)

Beautiful parents with amazing dispositions, both are on site!!! Dad is in last picture!

APBR papers. Re-homing fee \$350, taking \$100 deposits now!
