QR Code Link to This Post I'm looking for someone who wants to expand their training experience. I have a 2 year old colt and a 2 and a half year old gelding both mustangs. Green broke. I've ridden them both a handful of times they know all of the basics but need more training and desensitizing. I don't have much time with two jobs and I would love for someone to spend some time with them and work them maybe ride them once their ready. We have 80 acres a round pin and a huge arena. This lease is for both of the horses. Care lease or inbarn lease or consider other leases
