For the past seven years she has been pursuing her passion for training singers of all ages and abilities in all genres of music. She encourages creativity, consistency, musical growth and individuality in all her students. Through the beauty of music, Claire enjoys working with each of her students to find their true potential as a singer or pianist.

Claire holds her Doctorate of Musical Arts in Voice from the College-Conservatory of Music (CCM) at the University of Cincinnati, where she also earned her Master's Degree in Voice. She received her Bachelor of Arts degree in Music from the University of the Pacific in Stockton, California.

Originally from Salem, Oregon, Claire is thrilled to be back teaching in her home state at Resound NW. She is looking forward to working with eager students and guiding them on their musical journey.

For more information, please visit us at www.resoundnw.com.

Located in downtown Portland, Oregon, Resound NW is a music studio specializing in voice lessons. Students can enroll in private lessons or group classes.

In addition to providing guidance and support for experienced singers, Resound NW holds firmly to the belief that EVERYONE can sing. It is a place for each person to find "the singer within." No experience is necessary to enroll in voice lessons, only a willingness and desire to learn.

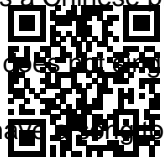

There is a Chinese proverb that states:

"A bird does not sing because it has an answer. It sings because it has a song."
If you have a song to sing, Resound NW is the place for it!
