Located in downtown Portland, Oregon, Resound NW is a music studio specializing in voice lessons. Students can enroll in private lessons or group classes.

In addition to providing guidance and support for experienced singers, Resound NW holds firmly to the belief that EVERYONE can sing. It is a place for each person to find "the singer within." No experience is necessary to enroll in voice lessons, only a willingness and desire to learn.

There is a Chinese proverb that states:

"A bird does not sing because it has an answer, it sings because it has a song."
