QR Code Link to This Post I'm helping save some dogs from a shelter and really need some help with fostering. If you can take a large or small dog temporarily for a week or two please contact me. They are all really nice dogs - two of the large dogs are very very calm and two are very active and very large. Really need some help! I am not looking for people who want to adopt a dog, I need people who will give a dog a home for a week or two regardless of what it is. Non are pitbulls or pitbull.
