If you are a business owner and are computer savvy...why not learn how to rank your website on your own time.

With a small investment you will have the knowledge and key's that agencies guard so tightly. Why am I offering this you might be asking? Well the simple fact is I want businesses to flourish and see results in the rankings and not just confusing reports every month.

I charge 40\$ per hour with a minimum buy of 3 hrs that can be done on separate days.

This small investment will give you the knowledge to know how to move your website up and also keep any agencies that you may hire on their.
