QR Code Link to This Post Lady Lexie is 5 year old fully vetted beauty that has lost her owner to his criminal act.

Lexie is typical shepherd in wanting something to do.  
 She is loving and kennels well. Can do an amazing guard dog job.  
 Walks well on a leash and wants to please as she gets her basic commands learned.

I will only re home to some one who is familiar with the breed.  
 She is not real cat friendly and so far I have not done much socializing  
 so with another dog I am unsure of her ability to co exist.

No small animals as they could be misunderstood by this German Shepherd  
 since he original owner was a crack head and drug dealer. She would be euthanized  
 if she went to any animal control facility.

She wants so much to be in a home again. We are looking for a good fit only.  
 ReHoming Fee is \$150.00  
 Thank
