I'm afraid to return him, as I'm not sure what the pet store will do with him, so I'm offering him up to anyone who can give him a good home. His name is Spice (when I thought they were females it was Sugar and Spice), he looks like a toasted marshmallow, is bright eyed and active, but can be a bit shy.

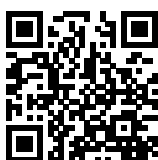

If you're interested in giving him a home, or maybe are interested in one of the future babies, please let me know. Asking for a \$5 rehoming fee, so I can eventually get a replacement female. Thank!
