QR Code Link to This Post Need to rehome FB2 Goldendoodle. He is 1 year old, not neutered. Purchased from a local breeder. Got him when I was pregnant last Christmas. Now with a an active 11 month old baby we cannot give him the attention he needs. He is very sweet and loving! He is potty trained and doesn't have accidents. He's about 40-45 pounds. Will be screening people to ensure he goes to a good home. Great with kids and other dogs. There is a rehoming.
