Currently doing model recruitment for our client. Need school-age children (4 - 16) for everyday play wear.

Models are compensated. This isn't one of those set ups where you have to pay for things. We do not deal with third parties. We will only work directly with a parent and that parent must be involved through the submission process and be present during every photo shoot. At no time will the model be left alone with any adult other than the parent on record. Private dressing rooms will be provided for the parent to assist the model with wardrobe changes. Clothing adjustments, hair, and makeup will be done with parent present.

We do not discriminate based on race or color and encourage the handicapped to apply. Our client wants a realistic representation as possible, so don't pre-judge your child. What we do is look for the best grouping, which will include children from all walks of life.

We ask that you submit a few clear photos of the model applicant. They do not have to be professional quality. Keep it appropriate. We're not looking for any type of body reveal. Everyday school, play, or sports attire is perfectly acceptable. Understand we're just looking for prelim submissions that will be reviewed. Submission does not mean automatic.
